Disclaimer of liability

Content

The content of this website has been carefully prepared and reviewed. However, the Leibniz Institute for Tropospheric Research e.V. does not guarantee the accuracy, completeness or quality of the information provided, or that it is up-to-date.

Liability claims against the Leibniz Institute for Tropospheric Research e.V. in respect of material or immaterial damage caused by the use or non-use of the information offered or by inaccurate or incomplete information are in principle ruled out provided that there is no provable culpable intent or gross negligence on the Leibniz Institute for Tropospheric Research e.V. part.

The Leibniz Institute for Tropospheric Research e.V. expressly reserves the right to alter, amend or delete parts of the site or the entire offering, or to cease publication, without prior notice.

Links

Where the Leibniz Institute for Tropospheric Research e.V. provides direct or indirect references (i.e. links) to external websites, it is liable only if the Association has precise knowledge of the content and if it is technically possible and reasonable for it to prevent use in the event that they contain unlawful content.

The Leibniz Institute for Tropospheric Research e.V. hereby expressly states that the linked websites had no illegal content when the links were set up. It has no influence whatsoever on the current and future design of the linked sites and hereby distances itself expressly from any alterations to the content that were made after the links to those sites were set up.

The Leibniz Institute for Tropospheric Research e.V. is not responsible for the content, availability, correctness or accuracy of the linked sites or of the offerings, links or advertisements therein. It is not liable for illegal, incorrect or incomplete content or in particular for damages arising from the use or non-use of the information provided on linked sites.

Copyright

In all publications, the Leibniz Institute for Tropospheric Research e.V. endeavours to comply with applicable copyrights. If, in spite of this, an infringement of copyright should occur, the Leibniz Institute for Tropospheric Research e.V. will after notification remove the relevant object from its publication or indicate the appropriate copyright.

All brand names and trademarks mentioned within the Internet offering that are possibly protected by third parties are without limitation subject to the provisions of the law on trademarks and related signs and the property rights of the registered owners. The mere fact that they have been mentioned should not be taken to mean that trademarks are not protected by third-party rights.

The Leibniz Institute for Tropospheric Research e.V. holds sole copyright to the Leibniz Institute for Tropospheric Research e.V. own content at the www.tropos.de domain. Reproduction of graphics or texts in other electronic or printed publications is not permitted without the Leibniz Institute for Tropospheric Research e.V. express consent.

Legal validit

This disclaimer of liability is to be regarded as part of the Internet offering from which you were referred to this page. Should parts or individual forms of wording in this text not, no longer or not fully comply with applicable law, this does not affect the content or validity of the remaining parts of the document.
